To: Distribution List
From: Jay Rowan,
Senior Environmental Scientist Supervisor-Hatcheries
North Central Region
Subject: Planned release of brood year 2017 into the Mare Island.

On May 15 & 16, 2018, the Department of Fish and Wildlife will release approximately 949,900 brood year 2017 Chinook salmon from Feather River Hatchery into the Mare Island net pen site. This release will include 25% marked (adipose fin clip) and Coded Wire Tagged (CWT) fish (Table 1). For questions concerning this release, please contact Jay Rowan (916) 358-2883.
