 Senior Environmental Scientist Supervisor-Hatcheries
 North Central Region

Subject: Planned release of brood year 2018 fall run Chinook salmon into the San Francisco Bay at Fort Baker.

On June 8 and 9, 2019, the Department of Fish and Wildlife will release approximately 1,003,460 brood year 2018 fall run Chinook salmon from the Feather River Hatchery into the San Francisco Bay at Fort Baker. This release will include 25% marked (adipose fin clip) and Coded Wire Tagged (CWT) fish (Table 1). For questions concerning this release, please contact Jay Rowan (916) 358-2883
